Reported Kidnapping Claim Unfounded

FRISCO, TX – On Friday, August 28, 2015 an attempted abduction of a juvenile from Toyota Stadium was reported to the Frisco Police Department. The Criminal Investigations Division immediately began investigating the circumstances surrounding this incident. After a thorough investigation, this claim was unfounded. The alleged victim admitted that the attempted abduction was fictitious and the events reported never occurred. Thanks to assistance from Toyota Stadium staff and security footage, the claim was further verified as false by video footage of the area.

Although this report was false, we ask that parents continue to talk to their children about the dangers of strangers, reminding them of the steps they should take to ensure their safety.

For more information, refer to Frisco Police Department CFS# 15-82704.
